

Amendments to the Claims:

This listing of claims will replace all prior versions and listings of claims in the application.

Listing of Claims:

1. A package arrangement comprising:
 - (a) a receptacle having an outer peripheral rim thereon; and,
 - (b) a backing construction secured to the outer peripheral rim and in covering relation to the receptacle;
 - (i) the backing construction comprising a flexible film having a resealable pressure sensitive adhesive on a first side thereof by which the backing portion is secured to the outer peripheral rim; and
 - (ii) the backing construction including an openable and reclosable hinged cover portion therein; said hinged cover portion comprising a portion bordered along opposite side edges by cuts through the flexible film of the backing construction.
